Ascension Scanlations

Hello everyone. Here's chapter 62 from Kurozakuro.

P.S.: I'm looking for a chinese or a japanese translator for a big assortment of other mangas that are almost finished. For a small preview of which mangas you can check the forum:

We're having problems with the links on the forum, so I'm planning on making a new website for Ascension Scanlations. So I could use some help from someone that knows how to handle host server/domain & wordpress hosting for it. I already paid for both, I simply need someon who can manage it further.
